WE TNIN TER REVIEW (Literal).

You have but a "barren scepter in your grip." Your fresh garlands entwine around your hatchment. Your

electoral bill. Honor says it, policy says it; without it we drift into confusion. Our escutcheon is unstained. We can better afford to accept disappointment and defeat than by parliamentary shifts and tricks to avoid the orderly execution of the law against which only eighteen democrats of this house and only one in the senate voted.

Something has been said of bargaining with the south. You can not win them over by bribes: they want nothing but ustice. I see before me a distinguished and cherished friend from the south, Mr. Lamar, a gentleman of the highest ability and unspotted integrity; honored by his this great trust, I proceed, in compliance people and worthy of their trust. I with the usages, to announce some of the speak not by his authority, but as his leading principles on the subject that now name has been mentioned in this conchiefly engages public attention, by which name has been mentioned in this connection. I say that I am sure he would shrink from such a conlition as his soul would recall from a cruel wound of dis-

The men you could bribe in the south rain important ends to be attained in accordance not worth having. You would loathe ance to our institutions and essential to the them when you got them; they would have no following or influence at home. R. & D. R. R., at Guthrie with St. Louis And if they were to join your party to Southeastern R'y: at McKenzie with sustain it in its past and present policy, ashville & Northwestern R'y; at Montgom they would find themselves political pariah in the land of their birth. Nothing will conciliate the south but justice, est with Memphis & Charleston Railroad; and you will so find it. They want rest, order, home rule. Your largess there In all diseases affecting these organs, the there is a sufficient they secret too much or too little rater; or whether they be afflicted with tone or gravel, or with aches and pains setting and Mobile and Montgomery Rail
at Eirmingham with Alabama & Chattanooga will be thrown away if given to corrupt. These people are your peers, equals, before the election, trusting that my country will candidly weigh and understand force the law; and neither by bribery nor force can you change them from serfdom force can you change them from serfdom to villainy. In the precious name of their manhood and womanhood I repudiste the intimation with scorn unutter-

There will be no division in the democracy. Lay not that flattering unction to your souls. It is a difference to day only among them as to the policy of the hour. And now I ask you, my country men of the republican party, in the name of justice, of peace, of truth, of liberty, all thoughtful and patriotic citizens regard as of civilization, in the name of all these I ask you to halt. Forbearance has its limits; I say it not in menace, but in which has passed over the southern states still remain. The immeasurable benefits sorrow and solemn earnestness.

The manacles must fall from the limbs | which will follow, sooner or later, the hearty and generous acceptance of the legitimate reof our sister southern states. tion which we have suffered during the past three years. The depression in all our com-mercial and manufacturing interests mercial and manufacturing interests throughout the country which began in September, 1873, still continues. It is very gratifying, however, to be able to say, that there are indications all around us of a coming change to prosperous times. Upon the currency question, intimately connected as a lis with this topic, I may be permitted to respect here that statement made in my letter of acceptance, that in my judgment the feeling of uncertainty, inseparable from an irredeemable paper currency, with its fluctuations of values, is one of the greatest obstacles of a return to prosperous times. The only safe paper currency is one which rests upon a coin basis, and is at all times and promptly converted into coin. I adhere to the views heretofore expressed by me in INAUGURAL ADDRESS avor of congressional legislation in behalf I an early resumption of specie payment, and I am satisfied not only that this is wise, but that the interests as well as the public sentiment of the country imperatively de-
